

Good evening one and all present here. A warm welcome to our esteemed chief guest Brig Joydip Mukherjee, Commandant, The Maratha light Infantry Regimental centre and Patron of our school. I extend my hearty welcome to Col Chandraneel Ramnathkar, Deputy Commandant, The Maratha light Infantry Regimental centre and Chairman of our school, all the other dignitaries, parents, students and all our well-wishers! We are delighted to have you with us, enhancing the vibrancy of this special occasion. This evening, we gather to reflect on a year of growth, resilience, and collective achievement. Our students, guided by dedicated educators, have excelled in academics, sports, and arts. This celebration not only marks their accomplishments but also showcases the vibrant spirit of our school community.

This evening would be incomplete without a personal mention about our patron, Brig Mukherjee. Sir, is a visionary leader, epitomizes dedication to education. With a wealth of experience, wisdom, and a commitment to excellence, he steers the institution towards unparalleled success. Our school has grown rapidly in all directions over the last few years. All the developments have been possible because of the unwavering commitment, vision and guidance of our patron, Brig Mukherjee who has always inspired our school community to reach new heights in learning and personal growth.

“The function of education is to teach one to think intensively and to think critically. Intelligence plus character – that is the goal of true education.” -Martin Luther King, Jr.

1. Our school, nestled in a vibrant community, stands as an educational haven. Established with a rich legacy, it combines tradition with modernity, boasting cutting-edge facilities and a dynamic curriculum. The dedicated faculty inspires a passion for knowledge, nurturing well-rounded individuals. Beyond academics, the school promotes a diverse range of extracurricular activities, shaping students into confident leaders. The NEP 2020 has helped us mark a transformative shift, emphasizing holistic development, flexible learning, and global competitiveness, fostering innovation and inclusivity for a dynamic educational landscape. Our commitment to fostering a culture of inclusivity and innovation by promoting active engagement, critical thinking, and practical application sets us apart. Embracing technology, encouraging critical thinking, and cultivating values, the school prepares students for a globalized world by direct experience, fostering deeper understanding and lifelong skills. With a

vibrant community, our school is a cornerstone of academic excellence and personal growth.

This year has been transformative for our school community, navigating challenges with resilience and adaptability, growing with an optimistic mindset, along with making memories for a lifetime. From embracing new technologies to fostering positive connections, the collective spirit has proven that learning knows no bounds, transcending physical classrooms.

2. Co – Curricular activities - Co-curricular activities in schools are a vital component, nurturing holistic development. From sports to debate clubs, these activities provide avenues for students to explore talents, enhance social skills, and build character. They cultivate a well-rounded education, fostering teamwork, leadership, and a sense of accomplishment beyond traditional academics.
3. Special assemblies - Special assemblies unite the school community in moments of celebration or reflection. Whether honouring achievements, fostering unity, or promoting awareness, these gatherings enrich the collective spirit.
4. Festival celebrations - School festival celebrations bring joy and unity. Colorful decorations, lively performances, and shared laughter create unforgettable moments, fostering a sense of community and cultural richness among students.
5. AWES affiliation –
We are thrilled to announce our school's official affiliation with Army Welfare Education Society. This partnership marks a significant milestone in our commitment to providing quality education. Under AWES, we look forward to enhancing academic standards, fostering holistic development, and ensuring a bright future for our students.
6. Maths lab – With a recently crafted cutting-edge Maths Lab, we are determined to providing a dynamic learning environment for students. Focused on hands-on exploration and collaborative problem-solving, the lab aims to make mathematics engaging and accessible. We are ready for an exciting journey of discovery and mastery in the world of numbers!
7. Science lab – We proudly present to you a new Science Lab, a space dedicated to fostering curiosity and hands-on learning. Equipped with modern facilities, it aims to ignite scientific inquiry and experimentation, making science education an immersive and exciting experience.

8. Computer cum Language lab - The computer cum language lab is a dynamic educational space seamlessly merging technology and language acquisition. Interactive software cultivates linguistic skills, while multimedia resources enhance comprehension. Students engage in immersive learning, leveraging cutting-edge technology to develop proficiency, making the lab an integral asset for comprehensive language education.
9. Art room – The art room, a vibrant sanctuary of creativity, echoes with the strokes of imagination. Color palettes dance across canvases, and the air is filled with the scent of inspiration, fostering a space where artistic visions come to life.
10. Library - The library, a sanctuary of knowledge, welcomes seekers with endless shelves of books. Silent whispers of pages turning create an atmosphere of tranquillity and exploration.
11. Sports room - The sports room pulses with energy, echoing the cheers of victories past. All equipment stands ready for action, creating a dynamic space that celebrates athleticism and teamwork.
12. Play area - The play area, a realm of joy and laughter, echoes with the gleeful sounds of children. Swings sway in rhythm, and the vibrant colors of slides create an enchanting space where youthful spirits soar and friendships blossom.
13. Competitions - School competitions ignite a spirit of healthy rivalry, pushing students to excel. Whether in academics, sports, or arts, these contests instill discipline, perseverance, and resilience. Competing fosters camaraderie builds confidence, and prepares students for real-world challenges, shaping them into well-rounded individuals ready to face life's complexities. Our children have displayed determination and their capacity to learn and grow from both success and setbacks by participating in various inter-school, inter-district, and inter-state competitions.
14. Student's achievers – Our students have exemplified dedication, perseverance, and excellence in different activities throughout the year. Their accomplishments inspire peers and reflect their commitment to personal and academic growth.
15. Children's activities – In school, children engage in diverse activities, These activities provide opportunities for self-expression, curiosity exploration, and skill development. Whether participating in science experiments, artistic endeavors, or sports competitions, children learn valuable life lessons, build friendships, and develop a sense of teamwork, resilience, and confidence that will benefit them throughout their lives.

In conclusion, this annual school report encapsulates a year of academic achievements, personal growth, and community spirit. Our students have demonstrated resilience, creativity, and a commitment to learning. The collaborative efforts of dedicated teachers, supportive parents, and enthusiastic students have shaped a thriving educational environment. As we reflect on the past year's successes, we also anticipate future challenges and opportunities for improvement. With a shared commitment to excellence, we look forward to another year of inspiring education and collective achievements. Thank you to everyone who contributes to the success of our school, as we continue to strive for excellence in education. Together, we build a foundation for a bright and promising future.
